## 100th Day of School Shirt Project

## On Monday, January 27, 2020 we will celebrate the 100<sup>th</sup> day of school!

To help us celebrate, we would like for you to help your child create a shirt that has <u>100 items</u> to wear on the 100<sup>th</sup> day of school! Please look over the options below and choose one that works best for your family.

- Glue 100 items to a shirt (Cheerios, cotton balls, beads, buttons, etc.).\*Please do not use anything that contains nuts.
- Stick 100 temporary items to a shirt (stickers, labels, colored dots, etc.).
- Draw 100 items on a shirt with markers or paints (happy faces, stars, fish, etc.).

We want this to be a FUN project for you and your child! You can use any type of shirt - even an old shirt turned inside out!
